

## ***Quilt-Topia Barn Quilt Challenge***

This geometric-based square is the perfect opportunity to funnel your quilting creativity into a show-stopping square that will stop Fairgoers in their tracks. The winning quilt block will be reproduced by painting on sign board and proudly displayed on one of the buildings at the Washburn County Fair Grounds.

Barn quilts were originally conceived to encourage economic development by promoting ag-tourism and local businesses while bringing travelers to rural areas. While quilts are usually made up of a series of squares of the same pattern placed together, a barn quilt is always a single square.
